

My Ideologies

- How we work enables what we make
- Designing and making are inseparable!
- First principles design, deeply rooted in abstractions
- Fighting stagnation by being bold
- Sell the ideal, even if it means you fake it until you make it- selling the dream gets buy-in.

The Past Ten Years

Sr. Design @Wealthfront
(Since 2014)

DIR @ SHV

Founding Designer
@ Sigma Computing

Head of Design
@ Ghost
